Sgt. Chapman,

I do have a copy somewhere. (It's about 10 years old and is based on the previous Gun Crime Is Jail Time media campaign.)

For the current media campaign, we have been tracking awareness among probationers and parolees.

I have a meeting in the Sheriff's office late Friday afternoon. If's it ok, I'll try to leave copies of everything there for you.

Director Gibbons,

I am trying to find a copy of the Impact Analysis of the Project Safe Neighborhoods Media Campaign.

Memphis Mayor Jim Strickland referred to the study having been conducted by the University of Memphis. If you could assist me with a copy of this study, I would greatly appreciate your help.

Highest regards,

Dan
